D. Read the following passages and write the correct answers.

[12–13]

① (better/ many people / helps / Music / feel / therapy). People have regular therapy each week or month. They listen to music as they relax or do an activity. Therapists think about the rhythm and tone of the music to make sure it is right for each individual patient. In some kinds of music therapy, patients actually make their own music. In other kinds, patients dance or move around to music.

12. What do patients do while they listen to music?

_____

13. Unscramble sentence ①.

_____

[14–15]

It is hard to think of jazz music and not think of Louis Armstrong. When he was young, he learned the trumpet. He was naturally talented and began playing on steamboats. At first, Armstrong was famous for his fantastic trumpet playing, but later he became known for his unique voice. Sometimes, Louis would improvise. This was new to the music world. Once, in the middle of a song, he dropped his lyrics on the floor, but he continued singing by making up sounds in time to the music. This is now called “scat singing.”

14. What was Louis Armstrong naturally talented at?

_____

15. What is “scat singing?”

_____
