_____

_____

_____

Questions continue next page

C. Read the following passage and choose the correct answers.

① Heritage sites are places that were very important to a culture of the past. Over time, the weather damages these areas, and people build over them. ② They are covered up and forgotten, so they are hard to find. Satellites images help archaeologists to find heritage sites. They look for changes in the land that don't seem normal. Once they find those spots, they can study them. ③

1. What is the passage mainly about?
   a. Finding old heritage sites in bad weather
   b. Putting satellites into space
   c. Using satellites to help find heritage sites

2. Why are heritage sites hard to find?
   a. They are covered up and forgotten about.
   b. They are inside the satellites.
   c. They are important to an old culture.

3. What is the best place for the sentence below?

Archaeologists look for heritage sites.

   a. ① b. ② c. ③

4. Which is NOT true according to the passage?
   a. Heritage sites are old and can be difficult to find.
   b. Archaeologists avoid land with bad weather damage.
   c. Archaeologist use satellite images to find changes in the ground.

5. What does regular mean in the passage?
   a. Different
   b. Special
   c. Normal
