1. 밑줄 친 문장 (A)와 같은 의미가 되도록 주어진 단어들을 배열하시오. (10점)

Dear Future Me,
When you read this letter in twenty years, I hope you'll be able to say the following:
• You have appreciated your life. You have been grateful for the simple things you've got.
• You didn't let money control your life. You listened to your heart and followed your dreams.
• You were honest in your relationships. You tried to make your relationships become stronger through honesty.
• (A)네 아이들이 되고 싶어 하는 것이 되도록 허락해 주었다. You tried to find out what they wanted instead of telling them what you thought was right.
• You remembered that you were young and the spirit of youth is a wonderful thing to preserve.

Yours,
Jordan

Proverbs are old but familiar sayings that usually give advice. Many are very old and have interesting histories.
The pen is mightier than the sword. In seventeenth-century England, a free press was banned by the government. In spite of ⓐthis, people published their opinions in (A)legal/illegal pamphlets. This proverb means the written expression of ideas cannot be stopped by physical force.
The pot calls the kettle black. In the 17th century, both pots and kettles turned black because they were used over open fires. Today, this proverb means (B)criticizing/praising someone else for a fault of one's own.
It's raining cats and dogs. In Norse mythology, the dog is associated with wind and the cat with storms. This expression means it's raining very heavily.
Strike while the iron's hot. When you do this, you're taking advantage of a good opportunity. Blacksmiths must shape iron into objects during the (C)brief/long time it's red hot.

[4~5] 다음 글을 읽고 물음에 답하시오.

Dear Dr. Bright:
I'm a sixteen-year-old girl. All my friends tell me I'm average looking, and I've never felt attractive. Now I have a boyfriend who always tells me I'm beautiful. Do you think he's lying to me or are my friends just ⓐmean?

Dear Miso:
Although your friends think you're average looking, that doesn't mean anything. I think other people, even you yourself, are blind to your beautiful qualities you possess. But your boyfriend appears to be able to see them. Take a deep look at yourself, find your good qualities, and learn to be comfortable with them. That's a good start to become a confident and attractive person.

Every game from the latest multimedia games to old favorites like cards and chess can be played on home computers. Home computers are used to balance family finances, to complete banking transactions, and even to do the grocery shopping. Those computers which are equipped with a modem allow users to go online to chat with others—that is, people can have a conversation on the computer about anything from making friends to getting medical advice. And of course students use home computers to type up school reports, to research their papers for classes and even to do the calculations for math homework.
