CLASSBOX is an online digital platform for teachers of English. It includes a full lineup of Compass contents, including interactive e-books, videos, songs, readers, and supplementary materials, as well as an easy-to-use LMS to assign homework and track your students’ performance.

With CLASSBOX, you’ve got all the digital tools you need to take learning to the next level for your students!

HOW IT WORKS

Create an account at classboxenglish.com and access your 15-day free trial.

Set up a virtual class. Add students manually or share the class access code with your students so they can join.

Choose from a library of hundreds of high-quality ELT e-books, all featuring interactive tools, multimedia, and supplementary materials. Use them for teaching in class or online.
DIGITAL BOOKS
CLASSBOX offers a library of Compass’s high-quality ELT material for all ages.

Every digital streaming book comes with everything you need to teach your students in the classroom or online.

They include annotation tools for making notes and inserting links in the books. They also include embedded audio, a built-in answer key, and downloadable worksheets, wordlists, and tests.

LEARNING MANAGEMENT SYSTEM
CLASSBOX includes an easy-to-use learning management system, or LMS.

With it, you can manage your classes, assign homework to your students, and view real-time reports of your students’ participation and performance on their homework.

PROGRAMS
CLASSBOX provides recommendations for enriching your students’ language learning to get you started.

Our curriculum experts have put together recommended programs of study for students from kindergarten to adult.

Get recommendations for coursebooks and the skill books that can complement them, chosen from our catalog based on level and skill.
BIGBOX is an English learning application aimed at younger learners. It allows learners to develop their English skills in a fun way by watching videos they are interested in and playing fun educational games.

Available on Android and iOS devices, and on PC.

CLASS BOOSTER

Included with BIGBOX is Class Booster, an e-learning companion for Compass ELT books. Each book has up to 7 digital activities, including Word Flash, Word Match, Quiz, Unscramble, Summary, Audio, and Video.

Class Booster can be linked with the CLASSBOX LMS, which the teacher can use for sending homework to students and getting reports on their performance. Students complete their homework on BIGBOX and receive coins to use in the game.
CURATED VIDEOS AND PLAYBOOKS

The core of BIGBOX is a carefully curated library of over 10,000 leveled videos and playbooks on a wide range of high-interest topics.

The app’s algorithm uses this information to present contents specially selected for the student, with constant updates.

Through exposure to understandable content they are interested in, students naturally become more familiar with English.

GAMIFICATION

As students watch videos and playbooks, they collect word cards. Students can collect 3,000 word cards, which they can level up by playing games.

After collecting enough cards, learners enter Word King, a game show against AI players. The students play games with their word cards and earn points to use in the game.

In the Expression Forest, students can talk with an AI chatbot, Monty, using the words and sentences they have learned to naturally learn new expressions.

READING OCEANS

Reading Oceans is a library of about 1,000 carefully graded e-book readers, from phonics-decodable to upper-intermediate level.

The selection of readers features both fiction and nonfiction works on a wide range of high-interest topics.

Each reader includes embedded audio and follow-up activities covering vocabulary, key expressions, and content.
Designed for test-preparation courses, Class Loop helps bring interactivity to your classroom. By setting up a class on the easy-to-use LMS, you can send learners extra test questions in real-time and get immediate feedback on where they are struggling and excelling.

1. **ADD BOOK**
   Register a teacher account on classloop.net and add a book with the 16-digit code inside.

2. **CREATE A CLASS**
   Share the class code with your students and have them join your class.

3. **TEST**
   Send test questions directly to your students’ devices using the Class Loop app.

4. **REPORT**
   Get reports on what kinds of test questions your students need more work on.

At Compass Publishing, we’re always in communication with teachers, academic coordinators, and educational researchers from around the world. We enjoy learning about what teachers and learners are doing in their classrooms and how the field of ELT is constantly evolving. Our aim is to bring what we learn to the development of our products, by including the latest and most effective methods and strategies for language instruction. Here’s a brief overview of some of the best practices in ELT and our key products that they are featured in.

**CONTENT-LANGUAGE INTEGRATED LEARNING (CLIL)**

Content Language Integrated Learning (CLIL) is an approach to teaching the content of curricular subjects through the medium of a non-native language. In a CLIL class, learners gain knowledge and understanding of the subject while simultaneously learning and using the target language (English). Through CLIL-type lessons, students can learn academic material and a foreign language at the same time, thus achieving a dual-focused objective. In the CLIL approach, language is seen as a way to acquire new knowledge, not the goal.

**21st-CENTURY SKILLS DEVELOPMENT**

The skills that are now in high demand among schools and employers are critical thinking, creativity, collaboration, and communication. The ELT classroom offers many opportunities to develop these skills. Students can learn to contribute to teams, think logically, examine evidence, solve problems, innovate, and communicate their ideas clearly to others. All these skills can be learned with guidance through well designed tasks, in which students can also apply and develop their language skills.

*Featured in these titles*
FOUR-STRAND THEORY

Created by Prof. Paul Nation, this approach to second-language instruction stresses the importance of balancing the four key strands: meaning-focused input, meaning-focused output, language-focused learning, and fluency development. Achieving a balance between these types of activities ensures learners will develop their knowledge of the features of the language while building their ability to use it to communicate fluently in a wide variety of contexts.

DIGITAL LITERACY

Increasingly, we consume and interact with most content through our devices, and digital literacy skills have become critically important for all jobs. Students need to develop the ability to efficiently access, evaluate, and use information. The language classroom can present students with chances to gain experience using digital media to access information and communicate their ideas more effectively.

STEALTH LEARNING

When students are engaged in stealth learning, they don’t know they’re learning. The learning content is hidden in games, music, puzzles, and stories, and the learning happens “behind the scenes.” Especially suited for very young learners, stealth learning attracts students and works to create effective learning opportunities when students are highly interested and more receptive.
Success TESTING is an online testing platform that is modeled after the TOEFL® iBT. Test takers can prepare for their TOEFL® iBT by taking comparable tests and becoming accustomed to the testing environment of Success TESTING.

- Interface modeled after the actual exam
- Learners practice within actual time constraints found on the TOEFL® iBT
- A wide range of practice tests
- Full and half tests are available
- Full assessment and report by expert raters

Success TESTING is based and structured on the actual TOEFL® iBT which consists of four sections: reading, speaking, listening, and writing. By understanding the structure of the test and practicing within the real time constraints, test takers will be able to apply the skills they have learned from the practice test and implement them when taking the TOEFL® iBT.

A message from the author, Anne Taylor:
“When I was writing this series, I had a group of kindergarten students with whom I spent a lot of time focusing on phonics. I could see they didn’t really know what it was all about, and this series was written with those students in mind. Sounds Great is an easy-to-use series designed to make phonics not only easier for children, but also for the teachers! I hope it brings smiles to your students’ faces.”

Sounds Great Readers
Linked Graded Readers

As an accompaniment to the student books, each Sounds Great Reader provides additional practice to ensure students can recognize and pronounce phonics correctly. Each reader contains four stories related to the content and skills developed throughout the series.
From Phonics to Reader’s Theater is a three-book series designed for beginner readers. Each unit introduces two phonics sounds. Each unit’s story and reader’s theater scripts help students understand how these sounds are used in words. Students will be more engaged as they enjoy language learning.

- Motivate, interest and help students enjoy language learning
- Help students understand the sounds and rhythm of English
- Increase students’ phonemic awareness
- Provide an enjoyable way to learn vocabulary and language skills
- Improve students’ reading fluency

Fast Phonics contains the essentials of phonics to help learners strengthen phonetic awareness by recognizing the sounds that are found in a lot of vocabulary. Short vowels, long vowels, blends, digraphs, diphthongs, and r-controlled vowels are combined into a single book. It provides comic readers, songs, and an attractive phoneme chart to appeal to learners. By following the step-by-step process of learning and practicing, learners will not only master phonics, but also basic vocabulary and key sentence structures.

First Nonfiction Reading is a three-level reading series for young, emergent-level readers that helps students transition from phonics to reading. Each realistic passage is based on a school subject and helps bridge fiction and nonfiction topics. Every unit has a clear learning objective. The vocabulary in each unit focuses on three specific areas to help emergent-level readers improve reading competency. Key words build core vocabulary, phonics words improve essential phonics skills, and sight words increase reading speed and fluency. Students also learn a natural English expression at the end of every passage. The speaking and writing sections in each unit help students to improve additional skills through reading. Students will move from learning-to-read to reading-to-learn in this enjoyable course.

- Realistic fiction passages that cover a range of nonfiction topics
- Colorful illustrations and design which aid in contextual understanding
- Clear focus and learning objectives in each unit
- Three types of vocabulary selected to develop emergent-level reader fluency
- Sentence structures from reading passages used in speaking and writing activities
- Student book includes workbook and detachable flashcards
- Student digital materials included with Class Booster for PC, tablets, and devices

Power Reading is a three-book series developed by world-acclaimed content developer Paul Nation. The course focuses on the four-strand approach to language instruction including meaning-focused input, meaning-focused output, language-focused learning, and fluency development. Each unit incorporates reading and listening passages on related content, which both engages learners’ interest and provides useful information. The difficulty of the series is graded so students progress through the levels comfortably handling increasingly longer and more difficult passages. A variety of extension activities in the series support the development of learners’ reading, listening, writing, and discussion skills.

- Informative reading passages developed to add to the real-world knowledge of learners while practicing language skills in English.
- Vocabulary development activities specifically targeting mid-frequency and academic words.
- Comprehension questions targeting facts and details, making inferences, understanding writers’ purposes, and understanding the meanings of words and phrases from context.
- Three types of vocabulary selected to develop emergent-level reader fluency.
- Skill-synthesis extension activities developed to practice multiple language skills through content related to each unit’s topic.
- Student digital materials included with Class Booster for PC, tablets, and devices.
Reading Future Starter is a three-book reading series for beginner learners of English. Each book contains nonfiction passages covering a broad range of school subjects on fun and engaging topics, enhancing students’ enjoyment of reading as well as their academic knowledge. Students not only gradually expand their vocabulary through exposure to high-frequency words, but also review phonics words related to the unit topics. Wrap-up activities enable students to review what they have learned in a fun way.

- Interesting topics covering a wide range of subjects, including social studies, science, math, art, music, physical education, and more
- Clear unit objectives linked to real-world academic standards
- Fun and engaging wrap-up activities which help students’ understanding of each unit

Reading Future is a six-level reading series for beginner to intermediate learners of English. Each level has three books that increase students’ reading skills. Each book contains nonfiction passages covering a broad range of school subjects on high-interest topics linked to the future. Students gradually expand their vocabulary through exposure to high-frequency and practical vocabulary related to the unit topics. Students will develop 21st-century skills and shape the future with Reading Future.

Integrate Reading & Writing Basic 1-4 and Building 1-4
Lucas Foster

Integrate is a multi-level reading and writing series for beginning to intermediate learners of English. The series features reading passages in a variety of formats on high-interest topics that are linked to common academic subject standards. Throughout the series, learners gain familiarity with reading skills, reinforced through writing tasks. Reading comprehension is progressively developed in tandem with fluency. Throughout the series, students gradually expand their vocabulary through exposure to both high-frequency and academic vocabulary that are related to the fascinating unit topics. Engaging videos and Augmented Reality (AR) content enrich the learning experience and provide opportunities for developing digital literacy and 21st-century skills.

- Learners build and continue to use the reading and writing skills throughout each unit and throughout the series
- Using various forms of technology, including augmented Reality, to learn and build-up their digital literacy skills.
- Divided into 2 lessons (A & B) in order to give students the opportunity to learn and practice
- Balanced with a nonfiction and a realistic fiction unit related to an academic discipline
- Real-world format (letter, email) to help students to become familiar with different types of English communication
- Clear unit objectives linked to real-world academic standards
The newest edition of *Reading for Speed and Fluency* provides reading practice for fluency development with articles on current trends and more attention to vocabulary acquisition. Based on the idea that the most important requirement for reading fluency development is reading the material at the right level, the series creates an informative and enjoyable speed-reading course. Passages with familiar vocabulary and grouped themes will enable students to gain confidence in reading as they progress through each book.

- Updated articles that discuss current trends
- More attention to vocabulary learning
- Gradual increase in word count as level progresses
- Focus on overall development in fluency for students to “read faster-read more-read well” cycle
- Aims to help students reach 250 WPM

Essay Writing

Kelly Ripatti, Lucy Han

Essay Writing is an easy, interactive guide to essay writing, including TOEFL® iBT writing. This two-book series teaches independent and integrated writing techniques. Each book features four steps which facilitate a simple and clear essay writing process.

Step 1: Quizzes which introduce the necessary skills and help students understand the TOEFL® iBT writing tasks
Step 2: Note-taking, planning, and writing procedures which help students understand how to take notes and begin to formulate a response based on a reading passage and a lecture
Step 3: Writing and paraphrasing techniques which guide students to write introduction, body, and conclusion paragraphs that cite and synthesize information from the reading passage and lecture
Step 4: Guided tests which give students practice at writing their own essays

- Interesting writing topics equivalent to those found on the TOEFL® iBT
- Variety of sample essays with supporting full-color illustrations and photographs
- Guided tests give students practice at writing essays
- Useful expressions, transcripts, and skill-building exercises to improve writing
- Teaching tips and recommended lesson plans

Everyday Survival English
Karl Nordvall

*Everyday Survival English* provides a fresh approach to learning everyday English by using illustrated explanations of important situations which learners may face.

- 72 situations from daily activities
- Authentic language with practice in structures and vocabulary
- Appendices with metric/imperial conversions, world currencies, maps of USA and UK

Everyday English for Young People
Lawrence J. Zwier

*Everyday English for Young People* uses lively, colorful pictures to teach English vocabulary central to the everyday lives of teens.

- Special emphasis on commonly used language that teens use in conversation
- Cultural notes and idiom practice
- Natural and up-to-date English, based on research at the University of Michigan
Talk About Travel
English for Airlines, Hotels, and Tours
Rob Jordens, Terry Jordens

Talk About Travel is designed for students who are interested in developing their English skills for the purpose of traveling or working in the field of tourism and hospitality. Units throughout the book progressively build a foundation for the experiences travelers can expect during an international trip.

- Informative reading passages and realistic dialogs using natural English
- Real situations, such as immigration procedures, sightseeing, and booking tours,
- Authentic documents, brochures, and flyers are used for further study
- Includes practice for listening and speaking components

Travel and Tourism
Ruth Wajnryb

Travel and Tourism is the first title to be aimed at students who are studying English for a special purpose. A 60-minute DVD contains all the dialogs filmed in actual locations.

- Essential vocabulary and expressions for travel
- Real world integration with DVD and photographs
- Dialogs for communication with travel and hospitality staff
- Simple, accessible, and easy-to-follow format with emphasis on anticipating and resolving problems, providing confidence and skill in dealing with non-routine situations
English for Restaurant Workers

Renee Tatalla

English for Restaurant Workers is designed for trainee waiters and waitresses and for trainers in the restaurant and catering industry. The material in the book teaches learners about common experiences and practices of international restaurants and has been specially developed using a novel picture-based format.

- Incorporates the English vocabulary needed in this field of work
- Shows how restaurant tasks are completed in a step-by-step picture process format
- Basic reference to aspects of restaurant work, for instance equipment, beverages, and cooking methods
- Includes common phrases, terms, and expressions which occur in restaurant work

Everyday English for Hospitality Professionals

Concierge Services, Hotel Services, In the Restaurant

Lawrence J. Zwier, Nigel Caplan

Everyday English for Hospitality Professionals helps future workers in the hotel and restaurant fields develop the English vocabulary they need for interacting with customers and colleagues. With vivid pictures and clear captions, it shows essential language structures for common situations, such as welcoming a guest, bringing luggage to a room, taking a meal order, and finding medical care for a guest.

- Vocabulary for more than 60 essential hospitality functions
- In-depth “Culture and Language” notes with vibrant full-color illustrations
- Natural, idiomatic language usage with special sections about good practices for hospitality professionals
Communicating in Business English is designed for people interested in developing their communication skills for business. The focus of this book is on functional English that people need to communicate within various business environments. Communicating in Business English presents vocabulary and language patterns related to the business environment and common business situations. Topics include making and receiving business telephone calls, giving presentations, participating in meetings, socializing with business contacts, negotiating deals, and writing business letters and documents.

- Key vocabulary lists for each lesson
- Sample phrases, sentences, and paragraphs illustrating common business language structures
- Cross-cultural tips and golden rules for effective communication
- Dialogs illustrating vocabulary usage in context
- Exercises for vocabulary reinforcement and usage
- Answer key for exercises
The English You Need for the Office
Susan Dean, Lawrence J. Zwier

The English You Need for the Office is the first of a two-part series covering the essential vocabulary of the office for general staff. The second book, The English You Need for Business, covers the vocabulary essential for executives. This picture-process approach allows a lively and flexible presentation of the basic vocabulary of topics like using a copying machine, sending a fax, making telephone calls, and office safety. The full color book of 56 chapters (plus audio CD) is accompanied by a multi-skills activity book (including listening material) and Teacher’s Guide. EYNO introduces vocabulary for talking about daily processes in an office. EYNO highlights verbs—words for doing or acting. With a larger vocabulary of verbs, you can more clearly speak or write about what happens in your life. The pictures make it easy for you to see what the new vocabulary means.
VOCABULARY AND IDIOMS

Make sure your learners understand the world around them. Vocabulary knowledge is a fundamental component of literacy. Through focused vocabulary study with high-frequency words, key academic words, and essential popular phrases and terms, learners will be able to vastly improve their English language ability in no time flat.

Various Reading Passages
4000 Essential English Words is a six-book series that is designed to focus on practical high-frequency words to enhance the vocabulary of learners from high beginner to advanced levels. The series presents a variety of words that cover a large percentage of the words that can be found in many spoken or written texts. Thus, after mastering these target words, learners will be able to fully understand vocabulary items when they encounter them in written and spoken form.

- Clear, easy-to-understand definitions and examples for all target words
- Various activities to reinforce target vocabulary
- Progressive development of vocabulary across levels
- Reading passages which utilize target words
Illustrated Everyday Idioms with Stories
Casey Malarcher

Illustrated Everyday Idioms with Stories is a two-book series that provides a comprehensive and entertaining way for students to learn common English idioms. With easy-to-read definitions and examples of 600 of the most common English idioms, the lessons will both entertain and enlighten students while presenting idioms in a variety of contexts. Unlike other texts that provide nothing but long lists of idioms, Illustrated Everyday Idioms with Stories presents a fun way to learn English idioms by containing a story using the idioms in context in each unit. Book 1 stories are folktale oriented, while the stories in Book 2 are more focused on humor and current interests.

- Introduces 600 of the most common idioms in English
- Uses a humorous approach to teaching practical idioms
- Short definitions and illustrations of each idiom
- Dialogs and passages incorporate the idioms
- Exercises and stories in every unit

Sharpening Skills for the TOEFL® iBT provides students preparing to take the TOEFL® iBT test with four comprehensive, accurate practice tests to hone their test-taking ability. Each of the four tests includes reading, listening, speaking, and writing sections of the same style found on the actual TOEFL® iBT test. In addition, each section is designed to provide students with the look and feel of an actual TOEFL® iBT test in order to increase familiarity and confidence when taking the actual test.

- Audio CDs to simulate TOEFL® iBT listening sections, including authentic university-level lectures and realistic campus-related conversations
- Complete transcripts, full answer key, and model speaking and writing answers provided

TEACHER DEVELOPMENT

Great teachers know that learning takes place over a lifetime, even for themselves! With that in mind, Compass offers teachers a number of professional development books designed to reinforce and improve their teaching ability with practical and useful content.

Teaching English to Young Learners
What Should Every EFL Teacher Know?
Teaching English to Young Learners is targeted at developing the potential of English language classroom teachers working with children. The teacher development book presents a collection of twenty modules focusing on different aspects of teaching young learners. Each module consists of an instructional model in the form of a picture story accompanied by captions and speech bubbles. A Key Vocabulary list summarizes the verbs, nouns, and other content words that appear in the story. Specific mention is also made of specialized or unusual usages. Each picture story is followed by a series of activities highlighting aspects of the language and methodology demonstrated within it. These activities provide teachers with opportunity to improve language proficiency and professional expertise by focusing on vocabulary review, grammar, listening, constructing and compiling teaching resources, and reflection.

- 20 modular lessons
- Illustrated lessons that clearly explain practical teaching techniques
- Ready-to-use language for classroom management and instructions
- Professional terminology that appears in context
- Practice activities, teacher-made resources, and reflection techniques
- Audio CD included
- Trainer’s handbook available
What Should Every EFL Teacher Know? is a must-have book which covers the most important information that a teacher of English as a foreign language should know. It focuses on practical issues such as how to teach listening, speaking, reading, and writing; how to teach pronunciation, spelling, grammar, vocabulary, and discourse; how to design lessons and courses; and how to solve teaching problems like large classes, a wide range of proficiency in a class, unmotivated students, and misbehaving students. The writer, Paul Nation, has been training teachers of English for over forty years and he has taught in Indonesia, Thailand, the United States, Finland, and Japan. He has written numerous books and articles about the teaching and learning of vocabulary, language teaching methodology, and curriculum design.

- Each chapter begins by clearly identifying the main ideas
- Headings throughout the text allow for clean, concise communication
- Figures, tables, and illustrations throughout the text allow readers to understand the techniques, data, and information visually
- Each chapter ends with a review which highlights the material that students should have learned
- Topics include: listening, speaking, reading, writing, pronunciation, spelling, grammar, vocabulary, lesson design, classroom management, and more

**Interact** is a four-level coursebook designed to provide the proper balance of listening, speaking, reading, and writing skills for A1 to B2 level learners. Each unit is designed with a clear focus on grammar and vocabulary acquisition for real-world usage. Reinforcing activities encourage learners to produce what they have learned through collaborative tasks and critical thinking.

**New Frontiers** is an exciting new coursebook series for teenage learners! Explore *New Frontiers*, a six-level series, to learn about English in the 21st century. *New Frontiers* is carefully designed to apply communicative, skill-based, and content-based learning methodologies. It also utilizes 21st-century skills and project-based learning techniques to ensure students are well-equipped to succeed in the future.

**Blueprint** is a seven-level coursebook for mature learners of English. The series covers Pre-A1 to C1 levels, with module-based lessons that are designed to provide exposure to social situations that adult learners are likely to face in a real-world setting. Consistent opportunities for learning input and output throughout each lesson will help learners to improve their proficiency and communicate effectively.
