Flying Advice

I fly a lot, so I know it isn't always fun. But you don't have to get stressed and anxious. Do these things, and you'll have a better time at the airport.
1. Check in easily online. Don't wait in those long lines at the check-in desk. It's easier on your computer. You can usually check-in 24 hours before your departure.
2. Bring a small piece of hand luggage. Big suitcases are heavy, and it's difficult to put them in the overhead compartments. Just bring a small bag or rucksack.
3. Always bring a book and a snack. You have your phone, but sometimes you don't have internet. Then what can you do? A book is always available when you're bored. And having a snack can help you relax. You feel worse when you're hungry.
